experience

CREATIVE DESIGNER

Advanced Marketers // Jan. 2026 — Present

- Manage and design expansive branding projects, guiding clients from initial package selection through the development, revision, and presentation stages of catered visual identities.
- Collaborate with cross-functional marketing teams to translate performance data and campaign strategies into effective visual storytelling.
- Design high-ROI advertisement creatives for Instagram, Google, and YouTube.

MARKETING OPERATIONS INTERN

Brand Innovators // Jan. 2026 — May 2026

- Collaborate with consultants to manage opportunities and pipeline stages.
- Maintain CRM by correcting data and updating opportunities.
- Support project coordination by attending weekly meetings and transcribing concise summaries.

DIGITAL MARKETING & MUSIC MANAGEMENT INTERN

Velvet Hammer Music // Sept. 2025 — Dec. 2026

- Developed and designed creative campaigns, Instagram content, visual assets, and cohesive brand guidelines for various bands.
- Gained hands-on experience in music management, marketing strategy, and digital brand development within a fast-paced industry.
- Collaborated with managers and the marketing team to develop creative strategies for artists across various social media platforms.
- Assisted in campaign tracking, artist relations, and promotional planning.

UX/UI & GRAPHIC DESIGNER

Marqui Labs // Jun. 2023 – Mar. 2024

- Designed comprehensive brand identities, logos, and marketed assets for diverse clients, including high-profile organizations like NASA.
- Led the creative process from research to final delivery, independently managed projects and presented process decks directly to stakeholders.
- Partnered with agency leadership to develop cohesive websites.
